LAUREL HILL'S BASKETBALL SEASON

Left to right—H. Robinson of M. Jackson (Capt.) rg. E. Townsend ls. H. Royt lf. F. Furbush c. J. Stanley og.

With one game left to play before their basketball season closes, the Laurel Hills of the Y. M. C. A. have rounded out a schedule of fifteen games in which are only two defeats recorded against them, making their first season a championship one in which their record takes county title for 1910-1911. Their final game is coming on Saturday, when they play a team from Williamantic Y. M. C. A. which will be one of the feature games of the season, as the Williamantic boys gave them one of their closest fights a week or two ago before Williamantic finally took the short end of the score.

For the effectiveness of their game and the fine team work which they developed, the boys give the greatest credit to their coach, "Bill" Porter, who has taken them in hand and given special attention to teaching them the science of the game. Captain Jackson and his men scored 255 points to the 218 on their opponents' tally sheets, and took the measure of teams from London, Williamantic and Jewett City, besides going through the tournament of the Norwich Y. M. C. A. with but one game lost, when the Olympians defeated them 55 to 19, having both weight and experience on their side. Their other losing contest was in New London when they lost to the Delphis, 23 to 21, in an overtime game. Twice last season, the Laurel Hills rubbed out the recollection of this defeat by downing the Delphis, 19 to 14 and 41 to 14. The most notable achievement of the Norwich lightweights was in trimming the Williamantic team on its own floor, 11 to 8, after the third city five had blanked them in the first half. Short, sharp passing and alert team work and keeping always at it had been the distinguishing feature of their game, with Captain Jackson at right guard and Coyt at left forward doing the individual star work. Captain Jackson was a wonder at breaking up his opponents' passes and Coyt was the nifty basket shooter of the bunch. Robinson at the other forward position played a lively, aggressive game, and Townsend and Stanley who alternated at guard, were hard workers and always in the game. At center, Furbush, the tallest player of the six, was a good man for the bat-off and also a good shooter who counted on many points.

WALL STREET KEPT UP. Nervous Tension on Exchange in Anticipation of Anti-Trust Decisions.

New York, April 3.—Wall street was kept up to a high pitch of nervous tension today in expectation of the supreme court's decisions in the anti-trust cases. The stock market showed a considerable amount of strength up to the late afternoon, despite the limited demand, and advances were general, with Union Pacific, Lehigh Valley, St. Paul and Canadian Pacific leading.

When word came from Washington that the supreme court had taken a recess and would resume to announce further decisions, shortly before the closing of the market, some speculators concluded that the long expected decisions would be made known at that time, and a large volume of selling orders was the result. This hour was the most active of the day, and the selling movement carried down Union Pacific, Lehigh Valley and St. Paul a point or more, and the rest of the list fractionally, with the result that the day's gains were lost. The close was about on a parity with Saturday's final prices.

There was no competition for the \$2,000,000 South African gold which arrived in London today, and the Bank of England added to its huge reserves all of the bullion, except \$1,000,000 which went to India.

London was reported to have bought quite freely in the market for parties making up Erie, Union Pacific and United States Steel, and to have been responsive to a large extent for the rise of the local market during the morning. Bonds were steady. Total sales, par value, \$1,700,000. United States bonds were unchanged on call.

Some Norwich People May Wait Till It's Too Late. Don't wait until too late. Be sure to be in time for Don's Kidney Pills. Just in time with kidney ills. Means curing the back. Before backache becomes chronic. Before serious urinary troubles set in. Don's Kidney Pills will do this. Here is, Norwich testimony to prove it. Mrs. Henry Deary, 423 Main St., Norwich, Conn., says: "I suffered terribly from pains in my back and I think they were due to disordered kidneys. I was always in great misery when I lay down and was often unable to sleep. Mornings when I arose I felt so stiff and lame that I could scarcely get about and if I stooped sharp twinges darted through my joints, making it hard for me to straighten. At times my face was so badly swollen that my eyes were closed. Although I was treated by physicians I obtained no benefit until I heard of Don's Kidney Pills. Their use improved my condition in every way, in fact, to so great an extent that I felt like a different person. My experience with Don's Kidney Pills warrants me in recommending them as the highest remedy."
